

Moving Company Supports The Arts

High Point, NC: Arts in the Garden is an outdoor sculpture exhibit in the courtyard at Cohab, 1547 W. English Road, High Point. A percentage of the art sold will go to the Southwest Renewal Foundation.

City Transfer and Storage donated time and equipment to move the sculptures.

If you need to move large items, sensitive machinery or bulky equipment, City Transfer and Storage is the best choice for specialized expertise.

They are the only moving and storage company in North Carolina operating their own crane and rigging division.

With experienced operators, sophisticated equipment and 48 years of expertise in crane and rigging work ensure the precision required to safely move and install extraordinary items.

Their equipment includes rigging devices, flatbed trucks, forklifts and cranes, ranging in size up to 40 tons. We have hauled and relocated thousands of items, including the nose & cockpit of an airplane to church steeples and clocks to sensitive medical equipment.

For additional information on CTS crane and rigging services, please call 800-334-2648.
